

HIPAA COMPLIANT

Who is covered by and must follow HIPAA?

The HIPAA Privacy Rule applies to organizations that are considered **HIPAA-covered entities**.

According to HIPAA, if you belong to the category of “covered entities” and you handle Protected Health Information (PHI), you and your business are required to be HIPAA-compliant.

What is a Covered Entity?

Covered entities under HIPAA are individuals or organizations that transmit Protected Health Information (PHI) for transactions for which the Department of Health and Human Services has adopted standards.

- Employers who handle PHI when they enroll employees in health plans.
